Dark Pools

The rise of the machine traders and the rigging of the U.S. stock market

by Scott Patterson.

[book]

Patterson, Scott.

Includes bibliographical references and index. This is a ground-breaking true story of the rise of the "bots" - artificially intelligent systems that execute trades in milliseconds and use the cover of darkness to outmaneuver their creators, ultimately hijacking the global markets from human control and pushing the entire system towards a global meltdown that could happen in seconds. 9780307887184
