### Questions for you to consider when setting your goals.

- 1) What resources other than money do you think you will need to achieve your goal?
- 2) What can you do this week/ month towards reaching your goal?
- 3) Do you have to cooperate with others or are you dependent on others to achieve your goals?
- 4) Can you create smaller goals to help achieve your long-term goal? What are some small things that you can do towards achieving your goal?
- 5) Will anyone else be affected or impacted by the goal?
